

# 2nd Grade Newsletter

Ms. Rhoads...Mrs. Holtmeyer....Mrs. Brown

April 3<sup>rd</sup>-7<sup>th</sup>, 2017

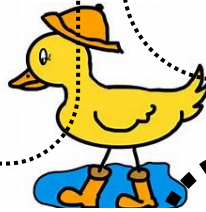

## **WORD WORK**

Our focus this week for word work are words with the long and short “oo” sound.

## **MATH**

In math this week we will focus on two and three digit subtraction. Students are learning to subtract with and without regrouping. Please continue to practice addition and subtraction facts at home.

## **READING**

This week we will begin a unit about oceans/continents. Students will learn to identify and locate the seven continents and oceans. We will also continue to “write about our reading” by answering questions about texts that we read. Please remember to read each day with your child. We recommend that they read at LEAST ten minutes each day.

## **WRITING**

This week in writing students will be writing books about a topic they choose. These books can be informational, personal narratives, or fairy tales. We will continue to focus on good sentences with subjects and predicates.

## **IMPORTANT DATES**

April 5, 2017-WES Spring Pictures
